Referral No. 2D36373

This is with respect to the correspondence from [redacted]  
[redacted] Solicitors, (hereafter [redacted])  
forwarded to this Agency by the subject referrals.

STAT

In the case of the first referral, we advised you, by our letter dated 11 July 1984, that (1) CIA had already responded directly to [redacted] and (2) the correspondence referred to CIA appeared to concern a lack of response from the White House and not the CIA.

STAT

In the case of the second referral, there seems to be a question as to whether we responded to [redacted] first inquiry and whether we advised your staff of that fact. Clearly, we responded promptly to both [redacted] and to your Office.
